¹ This assumes that the next authorization bill will keep the same 5-year update cycles for attainment areas.

² Governor designated the MPO on 12/09/2003.

³ Horizon year for the LRTP that is to be adopted.

* The full 2030 LRTP will be adopted about January 18, 2007. The June 2006 adoption is to satisfy FHWA regs for an update every 5 years.

** The short timeframe shown for Florida-Alabama and Bay County is correct. The LRTP adoption dates (Column C) were "emergency" adoptions to satisfy FHWA regs. Adoption of the complete, regular LRTP is shown in Column E.
